Dear Dr. Hashim:

We are pleased to acknowledge the contribution from The Council for Tobacco Research - U.S.A., Inc., in the amount of $500, in support of the FASEB Summer Research Conference, "Intestinal Lipid Absorption, Metabolism and Transport," to be held July 30-August 4, 1994. The Federation and the scientists who participate in its conferences appreciate your interest in assisting us to improve scientific communication. The funds will be used by the chairperson of the conference, Dr. Patrick Tso, to defray the travel and registration expenses for some of the speakers.

We extend an invitation to the scientists of your organization who are interested in applying to any of the FASEB Summer Research Conferences. In 1994, there will be twenty-five conferences held under our auspices - ten in Saxtons River, Vermont, nine in Copper Mountain, Colorado and six at the University of California, Santa Cruz.

Please express to the appropriate officials our appreciation for your generous support of this conference.

Sincerely,

Adele F. Hewitt
